On Sunday, November 3, 2013, Cherokee Regional Medical Center will host a come and go Open House to showcase the recent completion of its newly expanded Emergency Room and Admitting areas. The Open House will run from 1:00- 2:30 p.m. and is open to the public. Refreshments will be served.

The new ER/Admitting areas are much more patient friendly from a comfort and privacy level than the previous accommodations. A complimentary coffee bar will also be available.

The ER features an expanded number of treatment rooms and trauma bays and the enlarged ambulance garage will allow visiting EMS crews to transfer patients inside the facility.
