CRMC Construction Update

Due to the advancement of the construction process for Cherokee Regional Medical Center's new medical arts building, the entrance of Sioux Valley Drive from North 1st Street in Cherokee will remain closed until further notice. The closure is anticipated to last several months.

Patrons are reminded that access to the True Medical Building, Cherokee Regional Clinic, The Beck, the Hospital, and CRMC Wellness Center will still be available by taking Sioux Valley Drive from Roosevelt Avenue or by using Comstock Drive from North 1st Street.
