### AREA 4-H CLUB DONATES TO CRMC HOSPICE

Recently, the Tilden Tillers 4-H Club of the MMC-RU School District donated an American flag to Cherokee Regional Medical Center Hospice. The club members voted to use money raised during their soup sales fundraiser to support the We Honor Veterans Program.

As a part of the We Honor Veterans partnership, CRMC Hospice has been hosting pinning ceremonies to honor hospice patients who served in the U.S. military. The purpose is to thank and recognize these veterans for their service and selfless dedication to this great country. The donated flag will be utilized during these ceremonies.

Thank you to the Tilden Tillers 4-H Club for their support of CRMC Hospice and the We Honor Veterans program.
